

SACRED HEART SCHOOL TELEPHONE DIRECTORY

Each year the school publishes a school directory. The directory lists the school telephone number and the office hours. Also included are the School Board Members and Parent Club officers' names and numbers. All students will be listed by name and grade. Parents' names, addresses and telephone numbers will also be included. The directory comes in handy when your child needs to call another student to check on homework, project assignment, etc. It's also handy when you need to contact another class parent, room parent, or committee chairperson.

All students' names and grades are listed in the directory. However, if you wish, your phone number or your address can be deleted. Please indicate your preference at the bottom of this form.

Thank you for your cooperation.
